

AUGUST 2026 NEWSLETTER

Our Mission: “Creating great experiences for older adults in a welcoming environment that encourages learning, active engagement, fitness, and healthy living.”

August 21, 2026

This day recognizes seniors that have impacted society and created better lives. It started when President Ronald Reagan, signed a proclamation in 1988 which honored people aged 60 and older that have impacted others' lives for the better.

At YSC, we also honor those that contribute to the well-being of others. Our volunteers are exceptional. The plarn (plastic bag yarn) group creates mats for people that are unhoused. Other volunteers help us distribute the YSC newsletter to senior apartment buildings. We have volunteers that help us at special events. **Thank you to all those that inspire and serve others.**

We hope you are enjoying your summer. At the center, most programming is on break this month, but there are some special events.

The "*dog days of summer*" refer to the hot, sultry, and typically uncomfortable 40-day period running from **July 3 to August 11**. The phrase originated from ancient times when civilizations associated the sweltering heat with the alignment of the Earth and Sirius—the "Dog Star"—the brightest star in the constellation Canis Major. While ancient Romans believed the star added extra heat to the Sun, the intense mid-summer temperatures are actually caused by the tilt of the Earth's axis receiving more direct sunlight.

~

We hope you took advantage of great tips for better well-being. The “Better Health” series of classes taught by Tanya Towler will end August 18, 2026. Tuesday, August 4th, no class.

~

From the Director:

We had a great turn out for the YSC Summer Grill and Chill Fundraiser that was held on Saturday, July 25, 2026. A huge “thank you” to our sponsors (display board at the event), donors, and all who came out and supported us or volunteered to make the event a success. The Ypsilanti Senior Center is growing and has been a steady part of this community for a long-time. It is our hope that the residents of 48197 and 48198 feel welcome, and that the center is a valuable resource in their lives.
